

The Facial's Best Friend: Compressed Cellulose Sponges

We don't call Intrinsic Cellulose Sponges the facial's best friend for nothing! For obvious reasons, these multi-use sponges are always a professional's favorite.

Marcella Hardy, an esthetician based out of Wilmington, NC, explains the benefits of Intrinsic Cellulose Sponges and how to use them. Find these at: <https://bit.ly/2PENG6V>

Uses

Whether you're at home or in the spa, the **Intrinsic Cellulose Sponges** are a staple in any beauty routine. *What are some ways you can use this wonder-sponge?*

- Mask removal
- Washing the face
- Makeup removal
- Face massages
- Facials
- For sensitive areas, like around the eyes and nose

Benefits

When it comes to skin care, practicality is key. You need a tool that is gentle and non-irritating, but can get the job done. *Here are some benefits of our cellulose sponges:*

- The heart-shaped sponges have three edges for hard to reach areas
- Soft and absorbent
- The compressed cellulose sponges make the most out of any storage space because of

their small size

- Can be used once or multiple times on the same person
- Made in the USA
- Available in **white, natural, and pink heart-shaped**
- Make great gifts for clients and estheticians alike

But do you know what the best thing about the Intrinsic Cellulose Sponges are? **Anyone can use them!** Professionals, take a look at [our map](#) to find which distributors near you carry Intrinsic. Non-licensed users, you may purchase them directly from [PricePRO](#).
