

April Beauty Recipe: DIY Floral Sugar Scrub

The approaching spring season means it's time for a new scrub! If you're looking for a deep clean with a fresh scent, look no further than this DIY Floral Sugar Scrub.

**DIY
FLORAL
SUGAR
SCRUB**

2 cups coconut sugar
1 cup liquid coconut oil
1 tbsp e-oil [23,000 IU]
3 drops ylang ylang oil
3 drops bergamont oil
26 drops jasmine oil
intrinsics 12-ply gauze

**COMBINE INGREDIENTS
MIX TOGETHER
EXFOLIATE WITH INTRINSICS GAUZE
ENJOY!**

Before you scrub, however, be sure to exfoliate your skin with **Intrinsics 12-ply Gauze!** This primary step will ensure you're getting the softest skin (ever!) because it provides extra light exfoliation.
