*This month's beauty recipe is taking your favorite summer refresher to the next level!*

Soaking in a mint mojito bath salt sounds like the perfect way to end a long summer day. This super-simple recipe can be made with 4 ingredients and the best thing about it is, a little goes a long way! You may use as much, or as little, salt as you'd like in your bath. For an extra luxurious touch, use an [Intrinsics X'Tra Thick Cotton Pad](#) to rub the salt into your skin while soaking. Since the [X'tra Thick Cotton Pad](#) is made of 100% pure cotton, it becomes stronger when wet; so there's no need to worry about its durability in water.

**Other benefits of the X'tra Thick Cotton Pad are:**

- Extremely absorbent and soft
- Use wet or dry to apply or remove product from the skin
- Will stretch to accommodate any services
- Hypoallergenic
- Biodegradable
