

Did You Know We're Partners with Cotton LEADS?

Cotton LEADS™ is a program that is committed to responsible cotton production and is founded on core principles that are consistent with sustainability, the use of best practices and traceability in the supply chain. This joint program, initiated by Australia and the United States, offers manufacturers, brands and retailers a reliable cotton supply chain solution and confidence that their raw material is responsibly produced and identified. The Cotton LEADS™ program is driven by producers, scientists and professionals striving to make sure cotton is produced responsibly now and for years to come.
