

The Manicures Every Client Will Be Asking For This Spring

Spring and summer are all about having fun so it's only appropriate that manicures match the attitude, right? We've rounded up some of spring's hottest trends that clients will surely be asking for as the weather continues to warm up.

Metallic

Let your fingers shine bright like the sun!

High Impact

Whether it's bold colors, geometric patterns, or both, this manicure is the life of the party.

Earth Tones

Take a cue from Mother Nature with a muted shade that says “relax.”

Matte

Take your favorite shade, add a matte top coat, and admire the transformation.

Pastel

What could be more spring than pastels? Modernize sweet colors by giving them a graphic punch.
